Notes home last week ~

Years 3-6 social

Building resilience with the inspiration of two very positive guests to Narromine Public School:

Last week the students of Narromine Public had the great pleasure of hosting two amazing young Australians in our school as motivational speakers, Mr Lorin Nicholson and Mr Sam Cawthon. Both of these men are outstanding role models, each with their unique story of challenge and success, each providing our students with fine examples of resilience and determination. Our students and staff are extremely grateful to the Narromine RSL and to Macquarie 2100 for their sponsorship and coordination of such wonderful opportunities. Our students have been inspired and encouraged to be the very best they can be, to make the most of opportunities and not to let setbacks hold them back from reaching for their dreams.

Thank you again to the Narromine RSL and to Macquarie 2100 for making this experience possible for our children.

NSW PSSA Swimming Representatives:

We are sending our State PSSA swimmers to Homebush Olympic Aquatic Centre next week. Swimming as part of the PSSA Western Team at the State carnival is an amazing adventure. On behalf of our whole school community I wish Matt Doherty, Hunter Shepherd, Gus Wippell and Lachie Woods, Jack Davison and Hayley Stewart-Hollingworth all the very best.

It is wonderful to think that our children are the best in Western for their events and are going off to compete against the best NSW has to offer. Just competing at this level is a huge honour. Well done and a big thank you to the parents who have committed to supporting their child/children at this level of representation.

Song Room Community Links:

Kindergarten spent a wonderful afternoon as part of our Song Room Community Project (sponsored by Landmark) learning from our community members. We are very grateful to Ruth and Dick Carney and to Neita Scott who have shared personal stories and artefacts with the children. Neita shared what life was like when she was growing up in the olden days, Dick brought in artefacts and talked about their uses and delighted the children with a rainmaker, he also talked about how when he was little they made tin-can walkers just for fun, while Ruth had a Possum Skin Cloche to share with the children and retold the dreaming story of the Platypus. The children and staff of Kindergarten are very grateful to Ruth, Dick and Neita for taking the time and having the desire to share a little piece of themselves with the children of Narromine Public. The children’s...
artwork and reflections will be highlighted at our Celebration Assembly in June.

Website revisit:
Yesterday during assembly together we had a very quick run around our schools website, our website has a great deal of information contained within it. However I am hoping to gain more feedback from the students and their families about what they like about our site and what other services or information they would like available to them. Please take the time to complete the reply slip and return it to the office for collation as we will be diving into updating our site next term.
The following URL is the YouTube video that wouldn’t load from our hall on Monday. I hope you enjoy it.

PBL – Expression of Interest
As part of our PBL committee we have parent representatives that help to inform the committee about parent and community needs with regards to PBL and to be part of the team that makes decisions about how PBL operates at our school. Recently one of our team members, Jacqui Schofield moved. We would like to thank her for being a part of our team and her valued input.
Due to Jacqui moving we now have a position for a parent representative on the PBL committee. This position involves attending a meeting on a Thursday morning from 8.15am until 8.50am every three weeks. At the meeting you feedback to the committee any parent questions, concerns and ideas and as part of the committee actively promote PBL and our wonderful school to the community.
If you are interested in being part of the committee please complete a written expression of interest outlining your contact details and why you would like to be part of the committee. Please address your expression of interest to the PBL committee and leave it at the front office no later than 3.00pm Tuesday 8 April. The committee will endeavour to make a decision on a parent representative by the end of the term enabling the new committee member to start in Term 2.
Looking forward to welcoming a new team member.
